Financial Poise™ is pleased to congratulate Michael D. Pakter, faculty Member and Managing Member of [Gould & Pakter Associates LLC](#), on his recent appointment to the editorial board of [The Value Examiner](#), the professional development journal of the National Association of Certified Valuators and Analysts® ([NACVA](#)). Michael is also a current editorial board member of NACVA's [QuickRead®](#), the go-to publication for industry specific content for the financial forensics consultant.

Michael D. Pakter is a Certified Public Accountant with multiple additional certifications in economic damages, financial forensics, business valuation and bankruptcy core proceedings. He focuses his professional practice on forensic accounting, lost profits, lost earnings and other economic damages, business

interruption, fraud/financial investigations, bankruptcy core proceedings and litigation support.

Michael provides consulting and litigation support services to trial lawyers, trustees, examiners, receivers, business owners and managers and units of federal, state and local government. State, Federal and Bankruptcy Courts, as well as arbitrators, have recognized him as an expert in forensic accounting, economic damages, business valuation, CPA malpractice and bankruptcy core proceedings.

On June 24, 2021, Michael will speak at the 2021 NACVA/CTI Business Valuation & Financial Litigation Hybrid & Virtual Super Conference. A featured expert, he will present “How Can Financial Forensics Prove Bankruptcy Fraud?” at the event. According to Mr. Pakter, “NACVA has done a great deal for my professional development and I am honored by this opportunity to serve its members through my participation on these editorial boards.”

A long time Financial Poise Faculty member, Michael has served as a frequent webinar panelist and author. Two of his recent contributions to The Value Examiner were “The New Revenue Accounting Standard: Major Impacts on Business Valuation” and “The New Revenue Accounting Standard: Impact on Economic Damages Analyses” which he co-authored with Ralph Nach.
